

PROTECT YOUR HYDRAULIC LOOMS WITH **NO GAP WRAP**

Key Mechanical Services is a proud distributor of Hydraulic Shields' No Gap Wrap, the next evolution in loom protection. Unlike traditional spiral wraps, No Gap Wrap ensures complete coverage with no gaps, even during movement.

WHY CHOOSE NO GAP WRAP?

- ✓ **Full Protection** – No gaps, even with loom movement
- ✓ **Durable & Flame Retardant** – HDPE material tested to MSHA specifications
- ✓ **Eco-Friendly** – Manufactured using recycled materials when available
- ✓ **Complete Kit** – Includes joiners & install bar for easy setup

Sized for Every Loom: 55mm, 70mm, 90mm & 120mm
